The fibre boxes used for this shipment conform to the specifications set forth in the box maker's certificate and all other requirements of governing Freight Classification.

The description and weight indicated on this bill of lading are correct subject to R.P. weight and other agreements on file in effect at this time not specifically listed herein.

If the shipment moves between two ports by a carrier by water the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE — Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. **The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding**
