The bills issued used for the shipment contain in the specifications set forth in this bill of lading, and all other requirements of governing freight classification.

The description and weight indicated on this bill of lading are correct subject to R.R. weight and other agreements on their effect at the time not specifically stated herein.

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding
