The first bills used for this shipment conform to the specifications set forth in the carrier's certificate and all other requirements of governing Freight Classification

* The description and weight indicated on this list of loading are correct subject to A-B weight and other agreements on file in effect at the time this certificate is issued herein

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is owner's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE: When the law is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding
