Charges Advanced \$

The bills of lading used for this shipment are to be in the specifications set forth in this consignment certificate and all other requirements of governing Freight Classification

The description and weight indicated on this bill of lading are correct subject to the applicable and other agreements on file in effect at this time not specifically noted herein

When shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is a carrier's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed-to declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding
