The Bill is being used for this shipment conforming to the specifications set forth in the bill of lading, and of other requirements of governing Freight Classification

* The description and weight indicated on this bill of lading are correct subject to R.R. weight and other agreements as to be effect at this time not specifically listed herein

* If the shipment moves between two points by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE: Where the rate is dependent on value, shippers are required to state specifically, in writing the agreed or declared value of the property.

The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding
