The consignee must be the owner of the property to be shipped. Consignee's name in this bill of lading is the property owner's name, and all other requirements of governing Freight Classification.

* The description and weight included on this bill of lading are correct except as to weight and other information on this bill of lading after it has been not specifically stated herein.

* If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is made in the shipper's possession, or in the carrier's possession, and governs which authority is correct. NOTE: Where the shipper is responsible for the cargo, the shipper is required to make and comply in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding
