Codes used for this The Bill of Lading is subject to the shipment conditions, both in its specifications and in all other provisions of the bill of lading, including the provisions of governing Freight Classification.

The description and weight indicated on this bill of lading are correct subject to R.R. weight and other agreements on date of shipment or this bill not specifically listed herein.

If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight. Shipper's weight shall govern unless otherwise indicated. NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding \$
